

SIZE GUIDE RINGS

This guide will help you find the right size for your MATHON Paris ring.

IF YOU ALREADY OWN A MATHON PARIS RING

The sizes of MATHON Paris rings do not vary from one collection to another. If you already own a MATHON Paris ring, the size is engraved in the interior.

IF YOU DO NOT YET OWN A MATHON PARIS RING

Measure the circumference of your finger

1. Take a tape measure and wrap it around the base of your finger.
2. Using a pen, make a mark where the two ends of the tape measure meet.
3. Choose the nearest measurement on the correlation table to identify your ring size.
